WHAT'S NEXT

NEXT è la genesi dei nostri desideri, l'inizio delle nostre emozioni.

È creata per coloro che cercano forme, materia e dettagli in uno stile che unisce bellezza e funzionalità. NEXT è caratterizzata da un design asimmetrico, è uno scomposto lineare tra lucido ed opaco, tra liscio e ondulato, tra dentro e fuori. Una gamma accattivante di colori e trame donano ad ogni stanza un'atmosfera elegante e personalizzabile in ogni dettaglio. Riflessi, immagini, sensazioni.

Questo è quello che abbiamo voluto trasmettere con NEXT, un'ispirazione interamente italiana che esprime la nostra creatività e amore per il bello.

WHAT'S NEXT

NEXT is the genesis of our desires, the beginning of our emotions.

It is created to meet the research for shapes, material and details in a style which combines beauty and functionality. NEXT collection is characterized by an asymmetrical design, it is a linear breaking up between glossy and matt, smooth and wavy, inside and outside. A captivating range of colours and textures give to every room an elegant atmosphere, customizable in every single detail. Reflections, images, sensations.

This is what we wanted to convey with NEXT, an original Italian inspiration that expresses our creativity and love for beauty.

MATERIALI DI PREGIO E INNOVAZIONE TECNOLOGICA

La ricercatezza dei materiali ed il loro sapiente accostamento, contraddistinguono la collezione.

Essenze, vernici laccate lucide ed opache, enfatizzate dal motivo del canneté, metalli e marmi ricercati, dettagli in cuoio con impunture a due aghi, velluti e tessuti in vari colori e trame, soffice nabuk e specchi fumé. Vetri colorati e un'innovativa tecnica di stampa digitale che permette di riprodurre fedelmente immagini, texture, materiali naturali e qualsiasi immagine che possa essere fotografata e scansionata in alta definizione, a richiesta del cliente finale.

QUALITY MATERIALS AND TECHNOLOGICAL INNOVATION

The research for materials and their wise combination, distinguish this collection.

Essences of wood, glossy and matt lacquers, enhanced by the canneté wooden pattern, metals and special marbles, leather details with two-needle stitching, velvet and fabrics in different colours and textures, soft nubuck and smoked mirrors. Painted glasses and an innovative digital print technique which accurately reproduces images, textures, natural materials and anything that can be photographed or scanned in high definition, upon customer request.

QUANDO CI CHIEDIAMO... "BENE, QUAL È IL PROSSIMO PASSO?"
SIGNIFICA CHE SIAMO PRONTI A VOLTARE PAGINA.

E VOI? SIETE PRONTI?

WHEN WE ASK OURSELVES... "OK, WHAT'S NEXT?"
IT MEANS THAT WE'RE READY TO MOVE ON TO OTHER THINGS!
AND YOU? ARE YOU READY FOR NEXT?

Chiara, Lorenzo, Giovanni Scappini
